STRENGTHENING MALAYSIAN HIGHER EDUCATION

A CONTEMPORARY DISCOURSE

One of the most important sectors that plays a big role in realising Malaysia's aspiration to become a developed nation is the higher education sector. It is one of the country's backbones to ensure economic growth as Malaysia has now become one of the most renowned education hub. Credit should be given to Malaysia's higher education ecosystem which comprises of public and private universities; and agencies under the purview of the Ministry of Higher Education, Malaysia.

The uniqueness of this manuscript lies in the willingness of the prominent figures in the higher education landscape to pen down each institution and agency's efforts, accomplishments, way forward and the challenges faced in their pursuit to excellence. This book showcases the higher education institutions and agencies' journey in a diversified ecosystem during a very challenging time.
